Re: 1901 / 1915 Dryden Road Properties
Parcel Numbers: 5034 and 5171

Dear Mr. Fornes,

As discussed several times over the last few months, Valley Asphalt Corporation is interested in removing the building structure at the entrance of our property located at 1901 Dryden Road Dayton, Oh 45439. The building is a two car garage that has been used for storage for several years and appears to border our property and the property located at 1915 Dryden Road. It is my understanding that you are a Trustee for the property located at 1915 Dryden Road Dayton, Oh 45439 and have signature authority to allow removal of this structure. Valley Asphalt will not charge for the removal of the garage. If you have any questions, I can be reached at 513-771-0820 ext: 3661.

Sincerely,
Valley Asphalt Corporation
